### **III. Guideline for data validation and usage**

(1) The Center for Survey Research (CSR), Research Center for Humanities and Social Sciences Academia Sinica, has checked wild codes and out-of-range values, to validate and clean data. There is no doubt about data accuracy after the validation

#### 1. Note for data usage

- (1) Please be attentive if “system missing” may not be listed in the variable value because of the design of skip question (N/A), missing /no response and so on.  
(2) In case of any inconsistent findings between project report and dataset, priority is given to findings in dataset.

### **IV. Guideline for citation**

Citation, based upon the requirement of various journals, theses or dissertations, can be revised.
