

Teenager growth process and life experience

TYP2011_Questionnaire

Name: _____

Dear young friends, hello!

Thank you for taking the time to participate in our research, and providing your valuable opinions. This questionnaire aims to research marriage, emotion life experiences, and values of the youth during their early adulthood. What you answer will be our most precious resources, and not only contributes to an understanding of teenagers' early adulthood life and its development mechanism in details and change, but also makes this study more complete and full.

We will never publish anything about your family and their own privacy, and won't cause you any problems. Please feel free to tell us your experiences, feelings and thoughts in the interview process. Sincerely thank you for your cooperation. After you finish the questionnaire, we will send you a 100 TWD convenience store merchandise card. Thanks for your help and support!

Are you willing to accept our questionnaire? ☐Yes ☐No
