Interviewee name: _____

Dear youth friends,

Hello! Sincerely thank you for continually participating in “Taiwan Youth Project” in the Institute of Sociology Academia Sinica since 2000. Your support encouraged us to study the growth process of young people in Taiwan. Since you entered the adult stage, you must have a lot of valuable experience about work, study, and courtship, so we hope that we could visit you again, to get to know your current life experiences.

Your precious opinion will be protected completely, we will never publish anything about your family and their own privacy, so please feel free to tell us your experiences, feelings and ideas. After finishing the questionnaire, we will send you a convenience store gift card with value of 200NTD to thank you for your help and support.

Thank you!
