## Panel Study of Family Dynamics

RR 2006

Hello, we are interviewers from the Center for Survey Research, Academia Sinica. We are conducting a research on families in Taiwan now, which survey 4,000 families. Due to the fruitful results in the previous surveys; we would like to continue the survey and visit you again. We will not bother you too much. During this interview, part of the questions are the same as those in the past questionnaires. The mainly reason is that we can accumulate similar data in different time points so that we can analyze the change of work experiences, family interactions as time changes. We expect your understanding and also thank you for patient cooperation. We will give you a coupon of lucky draw with your questionnaire number. And in 2006 March we will hold a lucky draw activity; the first prize is about NT\$12, 000(total 1 winner), the second prize is about NT\$6, 000(total 3 winners), the third prize is about NT\$2, 000(total 36 winners). The list of winners will be announced on the website (<http://psfd.sinica.edu.tw/>). Thank you for your cooperation.
